

Stitchless Sewing

Stitchless Sewing - Sew your own style DIY videos for beginners with Tree from Stitchless TV sewing vlog. Learn to sew with my sewing tutorials for beginners with a difference. ...Below are instructions for two different types of buffing wheels: Desiree's stitched polyester felt; Anita's stitchless cotton sheet. I considered Anita's technique so clever, I asked her if I could include it in this tute. Topic Title: Seam Engineering: Stitchless Seam Technology US NAVY SBIR PHASE I&II AWARDS TOPIC No.: N122-134 PHASE II Contract No.: N00189-15-C-Z087 This project is a technology pathway to the future of garment making – exploring the potential for new Stitchless methods to replace sewing with needle and thread. Laura is unbelievably helpful – nothing is too much trouble and she responds very quickly. Her patterns are simplicity itself but look brilliant and disguise the “simplicity” really well.
